

Chenega Analytic Business Solutions, LLC

Facilities, Logistics, & Transportation for Federal Government

Who We Are

Chenega Analytic Business Solutions provides facilities, logistics, and transportation for a comprehensive, integrated data solution.

As an 8(a) Alaska Native Corporation, our superior capabilities, accelerated acquisition process, non-protestable procurements, reach-back to technical SMEs, programmatic best practices, and our competitive rates offer federal customers an unparalleled opportunity for mission success.

Facilities/Logistics

We provide detailed coordination of complex operations involving many people, facilities, and supplies. Proper management of complex actions can reduce cost and mitigate risk. We provide logistics and fleet infrastructure support, assisting locations with security, chain-of-custody, condition assessments, janitorial services, asset, personnel, Operations & Maintenance (O&M), and fleet management, as well as infrastructures and information.

Transportation

Detailed coordination of complex operations has evolved beyond the military to now encompass the commercial and federal sectors in their day-to-day business functions. CABS offers a plethora of transportation services that can augment your deliverables and ensure your payloads and capital arrives at the right location, at the right time.
