**CHENEGA
INVITATIONAL**

19TH ANNUAL
**CHENEGA
INVITATIONAL**

Hello Generous Chenega Invitational Supporters,

We have so much to be thankful for, and so few to thank for it. Those brave women who have served our country selflessly, our first responders who, without hesitation, run towards the crisis to save another, and the farmers and ranchers who put food on our table, we owe a debt of gratitude.

For the 19th straight year, we have the opportunity to show our appreciation to these brave and selfless American heroes by supporting the 19th Annual Chenega Invitational to benefit Vigilant Torch (VT) (www.vigilant-torch.org) and the Los Charros Foundation (LCF) (www.loscharrosfoundation.org). Our goal is to serve our Nation's Special Operations Warriors who sacrifice so much to preserve our freedom, and our future farmers, ranchers, and tradesmen who, without their commitment, our Nation would be hard-pressed to put food on our tables. We always appreciate an opportunity to give back to those less fortunate and are eager to raise funds to pay it forward.

As you may recall, VT and LCF are non-profit organizations staffed by volunteers. VT is supported by former Special Operations Unit members and associates whose sole focus is to provide comfort and relief items for our special operators who are sick or injured mentally or physically because of their service to our Nation. VT provides much-needed support to active and former members of the Special Operations community who may or may not have full assistance from other military support organizations. To do this, VT provides scholarships, emergency relief funds, family maintenance and resilience assistance, and mental health and suicide prevention support. The LCF focus is principally on leadership and education in the fields of agriculture and trades. They aggressively strive to assist and provide opportunities to youth who otherwise would not have the same chances as those in larger communities with greater resources. At the end of the day, it simply comes down to this: if you like your freedom, thank our servicemen; if you like the food that your family enjoys at the dinner table, thank our farmers and ranchers.

This year's event is on May 8, 2025, at our home course, Old Hickory Golf Club, in Woodbridge, VA. As with every year, we take tremendous pride in giving back to these two communities to whom we owe so much. As the date quickly approaches, I am reminded of the liberties and benefits that we all enjoy because of the sacrifices our servicemen and women make worldwide. I am also fortunate to work closely with many of the youth that LCF has supported through the years as these kids learn and grow through the huge responsibilities that come with being a part of the agricultural, educational, and trade communities. I am grateful to see first-hand how this organization has assisted the youth in growing into hardworking, stand-up citizens dedicated to helping grow the future of America.

Over the course of 18 years, Chenega Corporation has raised over \$1.25M through the Invitational. This year, we aim to make it our best year yet and exceed last year's amount of \$113,000. During these stress-filled times, our continued dedication to helping our national heroes and the future of America should remain strong and on point. This event is a way for us to show our appreciation and give back to our warriors, our community, and our youth, and ultimately, make a difference in the lives of those who need us most.

Here is how you can support:

1. Please consider participating in any of the available company sponsorship opportunities. Not only will you be contributing to VT and the LCF, but you will also be promoting your organization to executives, managers, and others within the defense industry and community.
2. Please consider donating an item for our raffle. Last year, we gave away fantastic prizes, including hotel getaway packages, sports tickets and memorabilia, Six Flags tickets, beer/wine tastings, and more.
3. Buy a ticket to come out for lunch and network with community members and industry personnel, alike. These tickets are limited.
4. DONATE.

So once again, I'm asking you to open your hearts – and your wallets – and give often, give generously, and never forget that we would not be the Nation that we are today without the sacrifices that our servicemen and women have made in the name of our country, as well as through the hard work and dedication that these youth have put into their work to supply our Nation with education, livestock, produce, and more. We must preserve this declining profession. We look forward to seeing you on May 8 for what will most certainly be our best tournament to date and welcome your commitment to setting a new fundraising record for this noble and worthy cause.

Cheers!

JC
